- Regraded teams will enter the new grade taking their points with them. (Note: Teams re-graded cannot have more points than the top team, or less points than the bottom team).

Rules will be kept in accordance with FIFA International Rulings plus our own by-laws.

BASIC RULINGS:

1. At Kick-Off the Ball must be played forward that includes a direct shot on goal.
 2. There is a 4 second time limit on kick-ins, corner kicks, free kicks and goalkeeper clearance.
 3. At the kick-in point, the opposing team must stand at least three meters away from the ball. Failure to do so will result in a Yellow Card to the offending player/players (at the referee's discretion).
 4. Players cannot play the ball whilst any part above their knees are on the ground. If this happens, it will result in a free kick awarded to the opposition.
 5. There is no off-side. Players can enter the Goalkeeper's 'D' area and can score from any part of the court. Goals can be scored directly from a corner.
 6. The Goalkeeper cannot leave his/her 'D' with the ball in his/her hands. If this happens it will result in a Free Kick to the opposition.
 7. The Goalkeeper may leave the 'D' in order to save the ball as long as:
 - A. He/she does not touch the ball with his/her hands
 - B. He/she starts his/her slide within the 'D' area.
 - C. He/she keeps possession of the ball within a 4-second time limit.
- Note: The goalkeeper is the only player who may slide in order to save the ball (providing he/she does not use excessive force). There is strictly no slide tackling, shoulder charges or rough play.
8. Players may not use their elbows in order to shove the opposition from the ball. A warning will be given and a Free Kick awarded to the opposition.
 9. The goalkeeper can throw the ball over the half way line on the full. A 'goalkeeper's ball' must be thrown in to play. Exception: if the ball has been a caught save, it can be drop-kicked back into play.
 10. The following 'back pass' rule only applies to a selection of competitions. The goalkeeper can only touch the ball once in general play. Once he/she releases the ball to his/her own players in their defensive half of the court, the

goalkeeper cannot receive the ball back. (Unless the ball is touched by the opposing team or the ball has gone over the half way line). a indirect free kick shall be awarded if this happens.

11. Goals cannot be scored directly from a side kick-in, it must be touched by another player on route to goal to be counted.

12. Dropped ball: If, while the ball is still in play, the referees are required to stop play temporarily for any reason not mentioned elsewhere in the Futsal Laws of the Game, the match is restarted with a dropped ball.

ACCUMULATED FOULS

1. Once a Team has accumulated five (5) fouls (in a half) a direct free kick will be awarded. A Goal can be scored directly from this free kick.

2. The free kick awarded for five (5) fouls can be defended by a wall of players. (At least a five (5) metre distance from the free kick position).

3. When a sixth (6th) foul (in a Half) has been accumulated, a free kick is to be taken from the 10 metre line in the offending team's half. In this instance, a wall is no longer permitted in defense of the free (direct) kick.

4. The player taking the free Kick shall kick with the intention of scoring a goal and shall not pass the ball to another player.

5. Once the free kick has been taken, no player may touch the ball until it has been touched by the goalkeeper or has rebounded from the goal post or cross-bar.

CARDS

1. RED Card:

- Any player given a Red Card is to leave the court for the rest of the game with a minimum suspension of one (1) week (possibly more), dependent upon the severity of the offence.

If a player receives 2 RED cards in one season, they will be removed from the competition permanently. Depending on the severity of the incident a player can be disqualified from the stadium altogether after 1 RED card.

- It is at the referee's discretion as to whether a player can be replaced after 2 minutes or when the opposition score.
- After a player has been red-carded, he/she is NOT PERMITTED to sit on the substitution bench or be in the technical playing area. (Note: The appointed referee also has the right to request the offending member(s) vacate the facility – depending on the offence).

As per above, red cards impose an automatic one (1) match suspension, in addition to any other suspension imposed by Moorabbin Indoor Sports whereby a harsher penalty may be considered, depending on the offence. Any such suspension and any additional match suspension shall apply to the next/subsequent match involving the player's team.

The imposition of the mandatory one (1) match suspension is immediate and effective regardless of whether or not a disciplinary notice from MIS was received by a team captain/delegate. Therefore, if a player receives a red card in any given fixture, the player must miss the next official fixture that their team is participating in.

Note: MIS reserves the right to review or confirm any suspensions.

2. YELLOW Card:

- Any player given a Yellow Card is given a Warning.
- Two (2) Yellow Cards in one match is equivalent to a Red Card.
- Frequent yellow cards in a competition to an individual may also result in disciplinary action.

FINALS

A minimum of five (5) games must be played by each player in order to compete in the Finals series.

If a team is on equal points at the end of the season's draw, the position on the ladder will be determined by the following means and order:

- The team with the greatest goal difference will finish higher
- If goal difference is the same, then the team that has scored most goals FOR, will be deemed to have finished higher
- If goals FOR is the same, then the team who has conceded less goals will be deemed to have finished higher
- If goal difference, goals scored, and goals conceded are all the same, then the teams will be deemed to have tied and appropriate action will be taken by Moorabbin Indoor Sports.

In finals, if there is a draw at full-time, teams will play an extra 3 minutes each way, with the Golden Goal rule to apply. (Golden goal: First team to score wins). After this time, if the scores are still level, a penalty shoot out will be played.

PLAYER/TEAM CONDUCT

As part of a player's and/or team's membership and registration with MIS, all members are expected to adhere to the rules of competition and conduct themselves in an appropriate manner at all times.

All players are to demonstrate respect for referees, opposition players, stadiums/facilities & MIS staff. Any breach in behavioral standards will result in an official warning or immediate expulsion from a league. At no stage is MIS under any obligation to accept, maintain or re-new team applications (or allow offending players to return to a competition) and past behaviour may be taken into account when an application to register or re-register is received. We can also refuse entry to teams and/or individual players through our relationships with various Futsal organization's within Melbourne.

MIS do not intend to suppress passion or commitment whilst you're on-court playing for your team, but rather, ensure that all participants understand that there is a line which divides passion and offensive behavior

Futsal is such a passionate sport and it is not the referee's fault a team loses. Respect the fact, human error does occur but they always give a fair decision the way they see it (not necessarily the way you might see it). Also, issues that do occur are usually a result of players not knowing the Rules of Competition.

Teams and players are kindly reminded that we all make mistakes. Whilst we all try to be perfect, there isn't a player in this world that can get through an entire match without making a mistake - it's part of the game. Referees are no different. Our referee's try their best to be accurate with all of their decisions, but reality is that during the course of each competition they will make mistakes. Please accept it in the same manner that you accept mistakes from yourself and your team mates. The Referees are not to be abused in any way whatsoever and above all, respect the referees as THEIR DECISION IS FINAL. Persistent arguments, disrespect, sledging, back answering and sarcastic comments will all result in a straight red card.

MATTERS NOT COVERED IN COMPETITION RULES

Any matter not appropriately covered within the Competition Rules shall be at the discretion of MIS MANAGEMENT

The competitions offered by MIS have a strong emphasis on fitness and fun, whilst providing social leagues with a competitive edge. Rules exist in order to keep the game fair and in control, hence they are to be adhered to very closely.

Team spectators wishing to support their team must act in a civil manner at all times. They must not interfere or be distracting towards referees/officials and/or players. Persons offending will be asked to vacate a venue and there will be consequences against the team(s) participating.

If a player(s) wishes to spoil it for the rest of their team and are found guilty of misconduct, the penalties will be harsher than expected. We suggest if players and their fellow spectators cannot abide by the Rules and By-Laws of the game, they should not play or attend matches at all.

We expect everyone to play the game in a sportsmanlike manner and to ensure that you emphasize enjoyment whilst participating.
